Instructions:

Flute

Flz. indicates flutter tongue.

A triangle note-head indicates a tongue pizz.

X-noteheads indicate air sound. If syllables are also attached, aspirate the syllables while pushing air through the instrument. No pitch should be heard.

Bass Clarinet

Flz. indicates flutter tongue.

A plus sign over the notehead indicates a slap tongue, always pitched

Strings

SP = sul pont.

ST = sul tasto

OP = overpressure

The dampen symbol indicates a stop on string, reverse reverb effect.

If a harmonic is notated with a small circle above the note, it indicates the sounding pitch. If the harmonic is notated with a diamond head, it indicates the fingered pitch (either artificial or natural).
